OUTREACH COMMITTEE NEWS

Easter eggs for Coast House Kids - During coffee hour on **Sunday March 17th** help assemble Easter eggs for a dozen kids staying at Coast House shelter in

Half Moon Bay. Contact Carol Wentworth or just show up. They will be delivered on Saturday March 30th. If you have Easter baskets you no longer need we could use those too. If anyone has a stuffed bunny or chick or cares to donate a few Starbucks cards for the older kid baskets, we won't say no.

SpiritCare Visit to Silver Oaks: Singers, readers and senior hand-holders are needed on **Sunday March 17th, 1:30** also known as **St. Patrick's Day**. Photos from the Emerald Isle will accompany the story of St. Patrick's illegal Easter Even bonfire in 432 AD followed by a "magic battle" with the druid priests on Tara Hill. Patrick won which resulted in the Irish, mostly, converting to Christianity. There will also be hymn singing and a wee bit of Irish traditional music. Contact Angela Hey at amhey@heymash.com or 650-796-2377 to volunteer. SpiritCare provides spiritual and emotional support for "forgotten" elderly and disabled residents at over 60 care centers in the Bay Area. Christ Church has partnered in this important ministry with Silver Oaks Memory Care in Menlo Park.

3/30 Dinner for 84 at Coast House: On Saturday March 30th Outreach volunteers will make a scrumptious dinner for the residents of Coast House, with your help. Contact Ruth Ann Wrucke at 650-851-8435 or cwrucke@mindspring.com to volunteer. On March 2nd Outreach volunteers prepared a scrumptious dinner for the residents of Coast House shelter in Half Moon Bay, including 12 children. A lovely dinner with a choice of Pot Roast with mushroom gravy (with mashed potatoes, three bean salad and dinner rolls), Chinese pork and pineapple (with brown rice with three bean salad) or for the children Fish Fillets (with fruit salad) was served. Everyone enjoyed scrumptious Carol Wentworth baked cookies. Our thanks to Miki Anderson, Alan Gomez, Carol Wentworth and the indomitable Ruth Ann Wrucke for making others life better. Coast House is one of the newest of the Life Moves shelters and houses 84 adults, couples, plus a few families (with 15 kids) in a converted Coast side motel. It is the only interim shelter with support services for those experiencing homelessness on the San Mateo Coast; those services are provided irregardless of immigration status.

Some have asked how's it going in Half Moon Bay, a year after the farmworkers shooting?. Not great. This article in the SF Chronicle provides some detail: <https://apple.news/Atv5dS5LISnes8Z9llgJQQA>. Surviving farmworkers were rushed into AirBnBs then rental units for a year; the year is now up so they are looking for housing. Three farmworker housing units are being planned but it will take one to four years to have them move-in ready. The Stone Pine project will be completed first and will have 47 affordable units — 28 of which will be set aside for the families displaced by the Half Moon Bay mass shootings. The project is expected to cost \$20 million and be ready for families to move in **January 2025**. Owners of the two farms where the shooting took place have pledged to upgrade their squalid housing units but that hasn't happened yet either. San Mateo County has formed a task force to inspect all the farmworker housing and require corrections including replacing fire detectors and fixing waste disposal systems; 75% of the 110 properties have now been inspected.

President's Volunteer Service Award - The Outreach Committee was just approved as a volunteer certifying organization. We do have to keep track of your hours so submit them to Kathy Kennedy at kennedyiti@aol.com This award program is run by AmeriCorp and it used to be part of George HW Bush's a Thousand Points of Light organization.

Full-Sized Toiletries and Laundry Supplies Delivered: Coast House shelter in Half Moon Bay (84 people including 12 children) and Redwood Family House (RFH) in Redwood City (a shelter for 10 families) were in urgent need of full-sized toiletries (shampoo, conditioner, body wash, deodorant, TP, Kleenex and more). Plus laundry supplies (laundry pods, dryer sheets). Thanks to you, things are much better now.

A first delivery was made on Saturday February 3rd to Coast House, prior to the drive beginning since they were out of everything; a delivery to Redwood Family house (100 items) was made on Tuesday February 20th to the joy of the staff and families. The final delivery of a van load of supplies to Coast House was made on Thursday March 7th and it was fun to have some of the moms and four year old Oliver help unload. Thank you to boxers/deliverers: Kathy Kennedy, Dave Miller, Cara O'Connell and Mary Soubirous.

Thank you to all who donated!!! You are wonderful. Thank you Betsy Alexander, Mickie Anderson, Anonymous, Tricia Christensen, Sandy Cold, Barbara Creed, Louise Delafield, Patty Dewes, Julie Fouquet, Katja Gagen, Lisa Hill, Kathy Kennedy, Eda Lim, Lenore Lovoi, Dave Miller, Erin Miller, Outreach Committee, Pam Padilla, Carol Wentworth. Questions, contact Kathy Kennedy at kennedyiti@aol.com or 650-291-9678.

Seeking Hotel-sized Toiletries: Are you on vacation or going on one soon? If you picked up any travel size shampoo, conditioner, soap or lotion during your last hotel stay, you can donate them. Bring them to the box in the breezeway. And if you have a toothbrush or toothpaste your dentist gave you on your last visit that you have no use for, they could use that too. Children's toiletries will be delivered to Redwood Family House in Redwood City. This month toiletries are being delivered to the Navigation Center in Redwood City (formerly Maple Street Shelter) which houses 260 adults.

Women's Spirituality meets on Wednesday morning from 10:00 - 11:30 remotely, on Zoom. Contact Mary Jennings at emjennings@aol.com for more information. On February 14th we began reading **Falling Upward: A Spirituality for the Two Halves of Life** by Richard Rohr. "Drawing on the wisdom from time-honored myths, heroic poems, great thinkers and religious texts, the author explores the two halves of life to show that those who have fallen, failed, or "gone down" are the only ones who understand "up." We grow spiritually more by doing it wrong than by doing it right. A few useful quotes from the book are "Sin happens whenever we refuse to keep growing." "The people who know God well - mystics, hermits, prayerful people, those who risk everything to find God - always meet a lover not a dictator. Intrigued? Join us. Weekly readings are assigned, then the the group discusses them during the meeting.

In these divided times, outside of the group, some of us are also reading **The Kingdom, the Power, the Glory : American Evangelism in an Age of Extremism** by Tim Alberta. One of Barack Obama's favorite books of the year, the award winning-journalist and staff writer of *The Atlantic* follows up his New York Times Best Seller **American Carnage** with this timely, rigorously reported and deeply personal examination of the divisions that threaten to destroy the American evangelical movement. If there is interest, we anticipate doing a one week discussion (1 1/2 hours) on this book in the future.

EVENTS IN THE COMMUNITY

Bearing Witness: Lenten Study

Christ Church Los Altos is having a Lenten Study this year which centers

the lives and stories of Christians living in the Holy Land. This year they'll join Episcopal congregations across the country in a five-week series called Bearing Witness created by the American Friends of the Diocese of Jerusalem. This series, produced before the war began, centers the lives of Christians and the ministry of the Anglican church in this blessed and broken corner of creation. We'll hear directly from lay and ordained leaders, learn more about the day to day life in Israel and Palestine, and come to understand more deeply the challenges and opportunities of our brothers and sisters in Christ who live and move and have their being in the same land as Jesus. Each of the five sessions focuses on a theme of Jesus' ministry: Belonging, Healing, Teaching, Breaking Barriers, Building Hope. All are welcome!

This Lenten Study kicks off with a potluck in the Parish Hall on **Wednesday, February 21st from 6pm - 7:30pm**. There is no Community Dinner that week so the whole session will take place in the Parish Hall. In the weeks that follow, we'll all gather for Community Dinner and eat from 6pm - 6:30pm, then everyone interested in the study will be invited to one of our classrooms from 6:30pm - 7:30pm. We'll provide additional childcare supervision of the Parish Hall during that hour for any parents with young children. **The series runs from Wednesday, February 21st through Wednesday, March 20th.**
